Litter Busting Day

*And did those feet in recent times
Walk around Bar Hill's village green
To scent the perfume of the limes
Then tread in piles where dogs have been?
You'll find newspapers by the score
Dumped in the hedge, not through your door.
Let's tidy up and make it grand
In Bar Hill's green and pleasant land.*

*Bring me my sack, my pointed cane,
Spring time has come around again.
We pick up junk, tin cans and glass,
That litters paths, hedgerows and grass.
We ask, good people, do be kind,
No more your rubbish leave behind.
On Picking Day give us a hand
In Bar Hill's green and pleasant land!*

Grateful Thanks

My sincere thanks to my family, friends of Social Club, Happy Hours, sportsmen of cricket and football, and many others around the country who over the years have bonded a happy relationship with Marie and I. A special thanks to the Social Club and Happy Hours for the warmth and closeness they showed towards Marie; she appreciated that even though she could not always put into words what her feelings were. Your company was indeed enough.

My children and I were overwhelmed with all the cards, wreaths, and flowers of all descriptions. A special thank you to the children for their letters and cards; very moving. Our thanks to James Lawrence for his support and the wonderful service he gave. Also to James Newcome for his comfort. To Tim Reed, his committee and friends - I am very proud of what you are doing for Marie in the setting up of a bench and plaque; indeed a very happy memory. Thank you Tim for a wonderful tribute to my Dear wife Marie. I will miss her.

God Bless.

Dog Owners

All dog owners are keen to teach their pets to be clean in the house. For most dogs toilet training ceases at that point.

Dog owners have responsibilities in the community and should not allow their dogs to foul indiscriminately.

Teach your dog to go at home by building up regular times to take him into the garden. Use a word such as "BUSY" or "BE QUICK" just as he is about to go to the toilet. Always use the same tone of voice and praise him when he has finished.

By training him to go on command he is less likely to foul in undesirable places. Always carry a plastic bag or poop scoop in case an accident should happen. This can be disposed of, wrapped, in your refuse sack.

Dog owners should ensure their dogs are wormed every 3/6 months. In rare cases roundworm larvae can cause eye damage to children. Worming is easy, effective and costs very little. You can get suitable worming preparations from your vet, pharmacist or pet shop.

The pleasures of owning a dog are far reaching and well-known. However, like many things we do in life, owning a dog can affect our relationship with our neighbours and our environment; for those reasons it is very important to understand the responsibilities involved, both to other people and to the dog itself.

Dear Editor

How heartening to see the story in the Cambridge Evening News about the six teenagers who when they found the Health Centre unlocked, acted in such a responsible way by standing guard and calling the police.

In case you missed the story the young men were Simon Oram, Daniel Flavell, Simon Day, Marcus Bright, Gavin Edgley, and Nathan Cass, and the story rightly made the front page of the newspaper,

We have often seen these youngsters sitting around by the Health Centre porch and probably got a wrong impression of them. Thanks boys for restoring some faith in your generation.

Ruby Hunt.

PS. We could use a new litter bin in this area!

The Wildlife Trust

The Art of Nature

Local artists of wide repute Bruce Pearson and David Green will be setting up their "studios" in one of Cambridgeshire's finest ancient woodlands on Sunday 2nd May. Bruce and David will be the special feature in the Bedfordshire and Cambridgeshire Wildlife Trust's Open Day at Hayley Wood.

Amidst a springtime carpet of bluebells and oxlips the artists will explain and demonstrate their work and encourage visitors to join in. "By taking my studio into the wood I can record the experience of nature where it's happening, which includes the landscape, the light, the weather and the fact that the scene may change at any moment", said Bruce Pearson. "David and I will be encouraging everyone who comes to Hayley Wood to have a go at creating their own wildlife pictures from what they see around them".

The Wildlife Trust is inviting everyone visiting the wood to bring their own sketch pads, paints and pencils to join in. The Open Day runs from 11 am - 5 pm: other attractions include a nature trail, guided walks and the Wildlife Shop. Information on the Wildlife Trust and refreshments will be available. Hayley Wood is off the B1046, Longstowe-Great Gransden road (grid ref. TL295537)

Maintenance of hedges/trees

It has been brought to the attention of the Parish Clerk that several residents are cutting hedges/trees down without permission and they have, in some instances, spoilt the look of certain areas of the Village. **PLEASE**, be sure to ask permission first; it is not your property and is to be enjoyed by **everyone** in the Village.

AGAIN - We must remind all residents that dumping garden (or any other) refuse onto public land or into hedges is a fineable offence - please do not spoil your village.

Bar Hill Parish Council

Stray Black Cat In Foxhollow

"Sam" has been reunited with his family and is recovering well from his year-long ordeal.

On behalf of his owners - **THANK YOU** to all the many kind folks who showed an interest in his welfare.

Parish Council Notes

The monthly meeting of the Parish Council was held on Thursday 18th March at 7.30 pm in the Old Farmhouse.

Parking on grassed areas alongside Saxon Way
This problem was discussed, particularly those residents living in Otter Close/Gardens who park vehicles adjacent to the Gas Governor and on the adjoining grassed area. The owners of the vehicles will be contacted requesting them not to park there as they are causing damage to the grass,
Litter at front of Village - alongside A604

The Chairman will be contacting the Environmental Health Department, which is empowered to prosecute offenders, to ensure that they are aware of the companies causing the litter problem in this area.

Viking Way Adoption Plans are being prepared by the County Council for submission to the District Council for their approval. It is hoped that work on the road will be completed by the end of August.

Annual Parish Meeting This will be held on Thursday 29th April at 8 pm in the Octagon - all are most welcome.

Unification Discussion on unitary authorities is proceeding. Negotiations will start in January 1994, to be concluded by the end of that year.

Use of car Park by Church The Church were given permission for visiting cars to be parked on the Viking Way car park on 24th April for the day.

Village Hall Car Park Work would be starting on the car park repair in the near future. Prior to this, the garage used for sports equipment storage must be removed from the car park. This was being arranged and an alternative storage building erected by football and cricket clubs.

Visits to village by circus and fair.

Circus: Clerk had requested visit during July but had not, as yet, received confirmation of this;

Fair: Clerk had arranged that the Fair would visit from 25th May to 1st June, taking in the Bank Holiday.

Baby-sitting Circle

Do you have problems finding someone to look after your children while you have an evening out? Your problems are solved!

Bar Hill has two main baby-sitting circles, both run on a "token" system, which means that tokens are used as payment for a sitter - so no money changes hands. The other advantage is that your sitter will always be a mother, who, having children of her own, can be relied upon to act responsibly towards your children.

There is no obligation to baby-sit at any time and you can use the circle as often or as little as you want.

If you would like to know more about joining a circle, please contact either Chris McDermott 782401 or Jacky Amey 780249.

The Pre-School Playgroup is held in the Village Hall and is open to children from three years to school age.

Our sessions are run by our Supervisors, Heather, Brenda, Jan and June.

Session times:

| | |
|------------|---------------|
| Mornings | 9.15 to 11.45 |
| Afternoons | 1.00 to 3.30 |

If you would like to register your child, or would like to have a look around, please feel free to pop in, or contact our administrator, Jenny Dedman on 782037 before 7.00 pm.

Facilities

These include the "messy room" - used for activities such as painting, drawing, playdough, cutting out, sand and water play, and making seasonal items. The "Playroom" - this is used to encourage creativity and imagination through the wide range of toys, jigsaws and books together with dressing up clothes, playshopping, tool and workbench and dolls.

In the summer months (weather permitting) the children also have the choice of outside play with our large selection of bikes, scooters, climbing frame and sandpit.

Jo Pinnock 780288

Parent & Toddler group

The Toddler group is for children between the ages of 12 months and 3 years. All sessions are one and a half hours long and are held during term time in the Meetings room of the Church Centre. The session is run by a paid supervisor and includes messy play, painting, singing, sand, large activity toys, Duplo and much more. The aim of the Toddler group is to give you and your child a chance to take part in new activities together and to play with a wide range of toys as well as to meet other children of a similar age, and their parents.

The sessions are:

| Day | Time | Supervisor |
|------|-------------------------------|---------------|
| Mon. | 10.00 - 11.30 am | Jo Hall |
| | 1.30 - 3.00 pm | Jo Hall |
| Tue. | 10.00 - 11.30 am | Mary Wilby |
| | 1.30 - 3.00 pm | Pat Collinson |
| Wed. | 10.00 - 11.30 am | Pat Collinson |
| | (12 - 18 month Toddlers only) | |
| Thu. | 10.00 - 11.30 am | Mary Wilby |
| Fri. | 10.00 - 11.30 am | Jo Hall |

If you would like to join Toddlers, please contact Cathy Free 782405. Fees are reduced for single parents and those with special circumstances. Please also feel free to call in on any session before your child joins. The supervisor would be pleased to meet you.

We would like to welcome Mary Wilby as our new Supervisor for Tuesday and Thursday mornings.

By the time you come to read this, there will be a new Toddler Group committee, which was elected at the AGM on 16th March. We hope that everyone who attended had an enjoyable evening. I would like to thank the retiring committee for their hard work and support during the year and wish the new committee every success.

Thanks also to all our parents for their support of the fundraising events, which is greatly appreciated.

Woodcraft Folk Span the World with Friendship

This is the motto of the Woodcraft Folk, a youth organisation established in 1925 to combine the skills learned in the Scouting movement with a desire to create a more peaceful and co-operative world for the future.

Woodcraft means the skill of living close to, or in harmony with nature, like the Indians of North America. If we can learn to respect our environment, we can hope to make the world a better place for the future.

Woodcraft Folk is for both girls and boys, from any background or culture, who are encouraged to participate equally in all activities. Children are encouraged to see the value of co-operation, rather than competition, so any badges are worked towards in a collective manner. There are opportunities for games, play, craftwork, adventure activities, hiking and camping.

Woodcraft Folk is divided up into four age ranges and we hope to start the youngest, an Elfin group for 6-9 year olds, at the beginning of the Summer term (Friday 23rd April 5.45 pm).

The Group will be actively encouraged to assist in deciding the programme of activities and outings. Parents will be encouraged to participate with their children.

So, calling all 6 - 9 year olds:

Do you like nature?

Would you like to go on rambles?

Would you like to go camping?

Do you want to sing songs around a campfire?

Do you enjoy craftwork and games?

Are you free on Friday evenings?

Would you like to join the Woodcraft Folk?

Please contact: Christine Welburn 782978
Heather Sales 780859

In order to keep the group small and friendly, there may be a waiting list. Priority may be given to keeping the sexes roughly equal, and also when a parent is happy to participate as well.

Bar Hill Cricket Club

This year we have two teams in the Cambridge-
shire Cricket Association Leagues, the First Team
in League 3 South and the Second Team in League
7B. Both teams play on Saturday afternoons.

Our Mid-week team plays on Wednesday eve-
nings at 6.15 pm, which enables us to play in
daylight and still have time to refresh ourselves
afterwards.

A number of friendly games are also played,
normally on Sunday afternoons, for those who do
not want to commit themselves to regularly turn-
ing out. This brings the total number of games we
expect to play to 45.

All home matches end up in the Bar Hill Sports
and Social Club where players and spectators
celebrate the result.

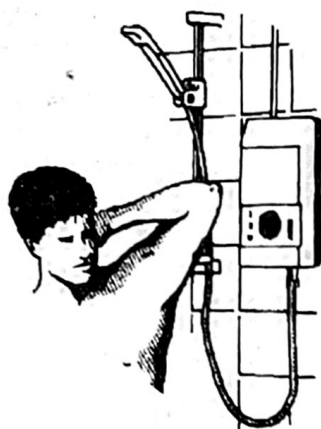

This year's Club Officers are:

|-----------|---------------|
| President | Fred Styles |
| Chairman | David Sandham |
| Secretary | Tony Moffat |
| Treasurer | John Fuller |

As we move into April three of our teams are in the hunt for honours. The U-10's, in their first season of competitive action, have reached the final of the Knock-out Cup, by beating Hardwick 3-1 in the semi-final. They now meet Ely Crusaders on 16th May at 1.00 pm at the King's Hedges Stadium, King's Hedges Road. The U-13's have also played a semi-final, drawing 2-2 with Cherry Hinton. If they win the replay they will play Somersham in the final (date to be arranged).

On the League scene, the U-11's are sitting comfortably in second place in Division 11A, with games in hand over all their opponents. It would be nice to see the residents of Bar Hill supporting these teams, and indeed all our other teams, so keep an eye on the Cambridge Evening News for our fixtures.

League positions after games played on 14th March were:

| | |
|--------|---------------------|
| U-10's | 4th in Division 10B |
| U-11's | 2nd in 11A |
| U-12's | 13th in 12C |
| U-13's | 6th in 13A |
| U-14's | 10th in 14C |
| U-15's | 6th in 15B |
| U-16's | 6th in 16C |

Through this column, we would like to thank publicly the residents of Appletrees and Acorn Avenue whose homes back onto the School Playing Field, for their understanding when our footballs land in their gardens during matches on this pitch.

There is time to get your entry in for the new club badge competition, originally due for last entries on 1st April, but now extended until 8th April. The successful entrant will be announced at the Club's presentation evening on 22nd May, and will receive a suitable prize at that event. All Club members are asked to put this date in their diary. You will receive more details from your team managers soon.

As a final item, our U-8's and 9's played a friendly against Cherry Hinton on 6th March, and although both teams lost, it was obvious that all the lads enjoyed their games. Marcus Hering even turned out for both teams - well done Marcus!

Don't forget to watch out for the key matches during April; do come and support our teams as they strive for those trophies.

Neville Watson.

Happy Hours Bar Hill Senior Citizens club

We have had a card from Jimmy and Phyllis, who are now on their once in a lifetime holiday. The card was sent from Singapore, their second call after Thailand, and they were so far having a wonderful time; hotels, food, etc. were of a very high standard. Moving on from Singapore, the holiday will take them to Australia, then finally to New Zealand.

By the time you read this Jimmy and Phyllis will be back with us again with many happy memories, which I'm sure they will be sharing with us at our future meetings.

They work very hard for many things in the village throughout the year, especially "Happy Hours", so they are having a well-deserved holiday. We hope they will come back fully refreshed and raring to go again.

Cambridge Evening News.

We had an interesting talk by two members of the paper and we were given an insight into the promotion side of the paper. Several members took up the offer of free delivery. A free draw was included which comprised of digital watch, bathroom towels, blockbuster transistor and a bedside alarm clock. This was something out of the ordinary and very well received by the members.

Summer Holiday, Newquay

It is understood that the coach company could find two more seats so these have been taken up and our total going on the holiday is 39. I'm sure that as on the Isle of Wight last year we shall have a wonderful time. The hotel in the brochure looks superb and with all the facilities that are available we should be well catered for. Our sincere thanks must go to Jimmy for arranging this holiday and making it all possible - no mean task, I'm sure.

Our friend Terry Barnes has once again offered lifts to and from pick up points for those who really need it. Thanks, Terry, it is greatly appreciated and no doubt the offer will be taken up.

Sales Table on Mondays

It is felt that although this has been a partial success and has made some money for the club it would be better to have the sales once a month, when it would probably have more impact. This will now be the first Monday in every month. Our very grateful thanks to Olive Mercer and Eddie Flitton for manning the table with success, a task which they will carry on with on the monthly basis.

Don't forget it is **your** sales table and that a percentage goes towards the club. We must insist that all goods are of a good standard and if not sold on the day must be collected at the close of the meeting.

The Two James'

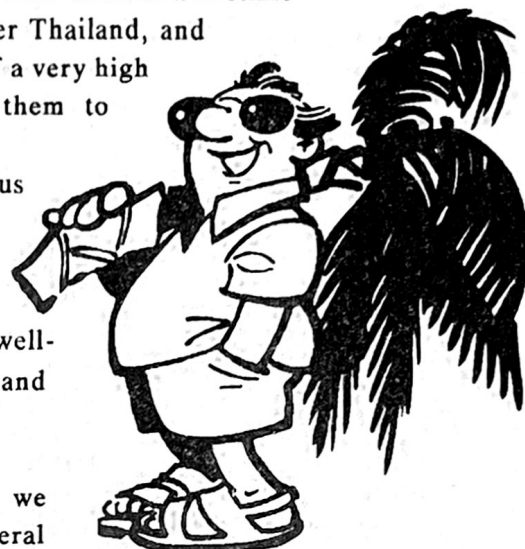

It was good to have the Rev. James Newcome call in on us and to take interest in the club; may this be a start to a good friendship in the future.

We are indeed sorry to lose Rev. James Lawrence, who was in at the beginning of "Happy Hours" and gave us the benefit of his ideas as to what we should be doing and the way we should go. He came to our meetings on a Monday as often as he could and would be seen going from table to table chatting to the members; this was always appreciated.

His smile and friendship will be greatly missed by us all and we wish him well in his new assignment in Leamington Spa. As an appreciation the club collected for and presented James with a Heffers' book token and a Boots token to use as he wished.

Olive Barber was unable to write this month's column owing to ill health; we hope that Olive is soon well again.

Please note all the special services for Palm Sunday, Holy Week and Easter. You will be extremely welcome at any or all of them.

If you have'n't been to church for a while, or perhaps have never been, this is an especially good time to come along. The **Prayer Vigil** on Maundy Thursday from 9.00 - 12.00 pm is part of our focus on Prayer for 1993; and it will be complemented on Good Friday by a **Prayer Walk** round the perimeter road, beginning at 2.30 pm. On Easter Day there is a combined Dawn Service at Histon to which several car loads from Bar Hill will be going; please contact James Newcome if you would like a lift. The Family Service on Easter morning will include Communion, and in the evening there will be a service of Prayer and Praise for Easter. On April 25th there is no evening service in Bar Hill; instead we will be joining other churches in the area for a Bible Service at Cottenham.

James Newcome 781629 will be glad to supply further details of all services, and receive enquiries about weddings and funerals. Please contact Jane Gedny 781171 about any other aspect of church life in Bar Hill, and Richard Lewney 781770 with any requests for Baptism and Infant Dedication.

Happy Easter!
